SHOWER HEAD

A relaxing shower depends on a good shower head. *What?* That's not what you meant, **Karlie?** Could ya show us? Karlie smiles flatly gripping her handheld adjustable sprayer at her side. She spreads her legs and aims the jets at her undercarriage, focusing the thrust on her general genital area. Her pussy glitters, beads of water run down her thighs. She jiggles the nozzle, experimenting with different settings and pressures until it feels just right. She starts alternating fingers and water. She inhales loudly then exhales quickly as though she's hyperventilating. Finding that perfect combination, she moans impassioned orgasms. We thought all you needed was a poster of Uncle Jesse and a stuffed animal!

TOY STORY 7

Most sequels try too hard to reinvent the wheel, hoping to outshine the original. Costars **Brett Rossi** (in black fuck-me pumps) and **Samantha Saint** (in gold return-me pumps) are frenetic blonde fetish dykes who fall in love at a Subaru dealership and agree to take a ride. Brett has the key to a really cherry 1980 BRAT with mud flaps, while Sam prefers to shifting gears on her double-ended dildo, crashing into Brett's drenched gully. The road is hot, and soon their cooters are overheating. Can the fair-haired vaginal vixens make their destination or will they fall behind, spending every waking moment gobbling wet pussy and sucking stiff clits, their groin grottos, out of control, running in the pink? They say speed kills, but for Sam and Brett, it's slowing down that might cause a wreck.

SUMMER COCKBUSTERS OF 2013

BY RAMSEY STEELE

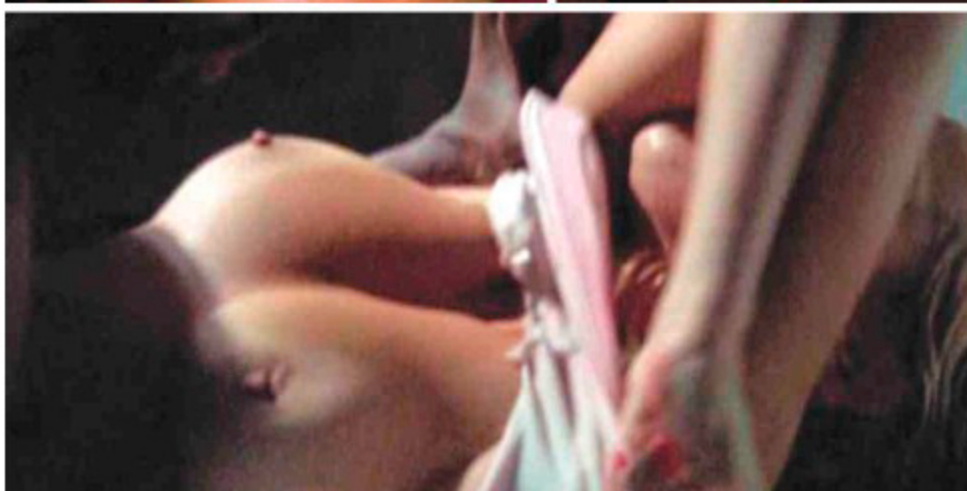

HIGH SOCIETY is proud to bring you our annual breakdown of *Summer Cockbusters for 2013*, a carnally compiled list of starlets who will be gracing the Silver Screen in U.S. theaters this season. As usual, it's our duty to cut through all the crap and prepare you for the steamiest, sexiest, and sultriest sirens the summer has to offer. Alright then, now get your balls in the air!

PENELOPE CRUZ

I'M SO EXCITED

Pedro Almodovar's latest comedy of the sexes finds his favorite muse pondering sex and death as a passenger on board an ill-fated airplane. The plucky Ms. Cruz meditated on the sex part "au naturel" in her previous Almodovar engagement, 2009's *Broken Embraces*.

ALICE BRAGA

ELYSIUM

The beautiful Ms. Braga stars opposite Matt Damon in this post-apocalyptic sci-fi shocker set in 2159, where the very wealthy live on a man-made space station while the rest of the population resides on a ruined Earth. And speaking of ruin, Alice ruined our chances at a good night's sleep with her revealing role in the seedy 2009 drama *Lower City*.

GRETA GERWIG

FRANCES HA

The mumblecore maiden-turned-Hollywood star who so brazenly bared her bod in *Hannah Takes The Stairs*, *Baghead*, and *Greenberg* takes the lead in this "dram-edy" about a 27-year-old dancer desperately trying to figure out how to live her life.

ELSA PATAKY

FAST AND FURIOUS 6

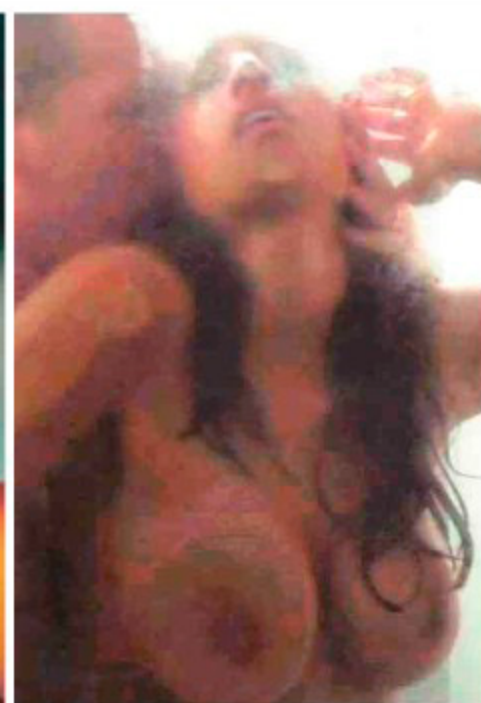

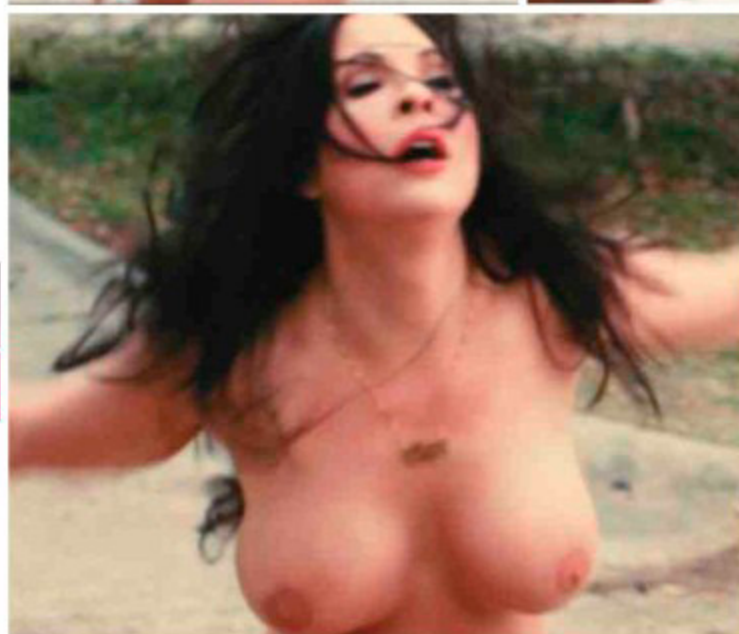

The sixth installment in the high-octane *Fast and Furious* film series features a fiery supporting turn by Elsa, who's revved our engines in both arthouse productions such as 2005's *Ninette* and good old-fashioned exploitation flicks like *Werewolf Hunter: Legend of Rosmsanta* (2004).

CHRISTA CAMPBELL

THE ICEMAN

Curvaceous Christa adds ample support to stars Michael Shannon, James Franco, and Winona Ryder in this crime film based on the life of a notorious Mafia hitman—just as her bountiful bosom did some heavenly heaving for Nic Cage in the 2011 action fantasy *Drive Angry*.

AMERICA OLIVO

NO ONE LIVES

Following her titillating topless turn in the well-received 2009 *Friday the 13th* reboot, the orgasm-inspiring Ms. Olivo continues her genre-embracing ascent in this tough-talking thriller about a gang of ruthless highway killers who kidnap a wealthy couple traveling across the country.

TRINE DYRHOLM

LOVE IS ALL YOU NEED

Building on the heat she generated in the delicious Danish romps *Forbrydelser* (2004) and *Daisy Diamond* (2007), Denmark's own Trine Dyrholm delivers opposite Pierce Brosnan in this similarly imported romantic comedy.

MAGGIE GYLLENHAAL

WHITE HOUSE DOWN

Unlike her startling star turns in *Sherry Baby*, *Strip Search*, and *Secretary*, Ms. Maggie keeps her clothes on as a Secret Service agent in this latest *Die Hard*-styled action thriller about a paramilitary group taking over the you-know-what and holding the you-know-who as a captive.

A VERY WET DRY RUN

Of all the pathways to porn, many involve a catastrophic failure of some kind. **Tasha Reign's** easement into XXX came on the heels of success, as a cast member of MTV's *Laguna Beach: The Real Orange County*. Starlets usually ditch their dreams of acting with clothes on once they "settle" on a career in the genital arts. Tasha parlayed her quintessential SoCal beach hottie looks and position into a new career. If you love a good hard fuck and people want to pay to watch you get fucked hard, you might as well make it your vocation. But even a job you love takes practice. "That's why I'm here," smiles Bruce Venture. "To keep us fresh." Actor's etiquette dictates that there are no excuses for missing a single practice or rehearsal. As Bruce unbuttons Tasha's cheetah bra and sizes up that hot pink pussy, preparing to stick his pecker inside, we can't imagine anyone wanting to miss putting in a little extra work.

SMOKING HOT

Madison Ivy is not exactly the kind of girl you'd expect to grow up to be a centerfold. She was always the towering, super-pretty brunette captain of her cheer squad, the star hitter on her volleyball team (state champs!), but her favorite extracurricular activity was smoking weed. Madison is very active on Twitter (@madison420ivy) and seems to enjoy communicating with her more than 83,000 followers, whether she's taking one of her "stoner showers," or it's 4:20 and she's lining up her favorite snacks for an upcoming smoke session. "What I really long for in life is to explore and find joy in the world's inspiring literature, art, culture, and smokeables." And guess what? She really, really likes to get fucked!

ALL ANAL ALL THE TIME!!!

ALL ANAL ALL THE TIME!!!

Marketa has been begging for a fuck all morning. Janos knows she won't shut up until he agrees. He grabs her dildo and lathers his dick with a couple hocks of spit. She enjoys the DP. Then: "I need it harder," she says. "Finish me!" she begs. Janos rears back. His ass starts bucking like a bronco on meth. His hand cranks double speed. The bed's coming off its hinges, breaking beneath them. She feels Janos' sweat pouring down on her tits as he buggers her hugging asshole. Janos watches Marketa's expression closely. Her gem-like blue eyes close and she bites her lip. She's gonna blow! Good thing Janos grew up in the shadow of Kilauea, the most lively volcano in the world. Sorry, Marketa, make that the *second* most lively volcano in the world.

THE NAKED TRUTH

IS STRANGER (AND MORE FRIGHTENING) THAN FICTION

Story by PETER THOMPSON Illustration by WAYSHAK

From the tints and rinses of the setting sun's mischievous colors to the point when absolute nightfall sets in, shrouding the sky in black, there's a moment of mesmerizing quiet in the desert, even here at the Blue Nudist Sun Club in the scrubby, dried-up intestines of the Mojave Desert.

That perfect silence, it lingers for just a minute or two. It's a very primitive silence. A dim light starts twinkling red from the peak of a mountain to the north. It's as though the desert sun is some kind of terrifying monster that has finally been slain. Those with sunburns can come out and breathe fresh air again. As there's little to no humidity and rarely a cloud (other than the sinister chemtrails Major Dane continually points out every day), the day's heat

women sunning themselves on the pool deck, all of them needing help applying lotion to their privates is enticing to a 20-year-old. The problem was twofold—any woman who can't reach her privates is not the kind of woman you want to be touching down there without a neoprene glove and a tetanus shot. Second, the Blue Nudist Sun Club was one of those rare clubs that allowed an unlimited number of single men to come in and enjoy "the lifestyle." Most clubs only allow couples and single females and maybe a few single men. But some days at the Blue Nudist Sun Club there were more pork sausages than at a Jimmy Dean company picnic. Sure, about half of the Club's permanent residents were female, but most of them were on some kind of Federal disability—and, ap-

MAJOR DANE & HIS MAIL-ORDER BRIDE

Two trailers over, sex moans blared from the flat screen TV in the 26-foot long diesel-powered love nest owned by retired army intelligence chief and self-professed titular head of the CIA's defunct Psychic Spy Program, Major Dane Boom and his stunning 24-year-old Ukrainian mail-order wife, Olena. These two were a study in opposites: Major Dane rushing headlong toward a hole in the ground, his head looking like a Honeydew that somebody stapled dog hair to. Meanwhile, Olena was a near-perfect brunette fountain of curls, sensual perfume, and flashing eyes, all

disperses and the cool night air rushes in and rattles the leaves of the old-growth cottonwoods surrounding the picturesque man-made lake, the showpiece and focus of outdoor activity at the Club. The vast sea of stars spreads out above; the silence feels so primal.

And then somebody farts.

Bodily noises, like physical flaws (stumps, nubs, tags, pockmarks, chicken feathers, whatever) are not discouraged here. It's actually considered rude to deny your body the urge and to make it hold in a gut gale. As the sign above the entrance in the poolroom says, "Embrace the dreadful." It's not the motto of the Blue Nudist Sun Club, but after working there all summer it's the most fitting motto for the place—especially a few weeks later when I returned home to find that all my fucking paychecks had bounced for lack of funds. I never saw a damn cent, but the owners sent me Christmas cards for most of the next decade. Of course, Santa was always naked except for the hat and the belt.

UNDRESSED FOR SUCCESS

At first blush, working at a nudist club sounded like a pretty cool way of spending a summer. All those dreams of hot, naked

parently, being a combination of lazy and obese or having one tit that points straight up and one tit that points straight down got you a check every month.

But that night the silence was nice and even though we'd gotten through only a minute and a half without somebody busting ass, the quiet was soon broken by the hum of dirty electricity coursing through the mechanisms of the old mercury vapor streetlights that lit up the camp. The night noises built slowly. Soft voices would shower in from an AM radio, then there'd be the low-mooing death-cry of a cow being electrocuted at the ranch next door, followed closely by Mrs. Uschi Reiter firing up her heavy-duty 1970s East German vibrator that plugged into the wall and caused the Reiter's rented Fifth Wheel to tremble. When Uschi came, she sounded like a foreign tennis player returning serve. And this menopausal Frau didn't go, "Ahh! I'm coming!" she screamed, "Kill me, Alois! Strangle me dead you lousy mouseshit!" And when they had a couple drinks, a Wagnerian sex opera ensued. The sound of ripping Velcro blemished the night as Mrs. R strapped on her multi-function silicone love rider and began dry-pegging

buttery breast-sweat, youth, and vitality. Their major problem was the fact that Major Dane couldn't cum. He could get hard, but couldn't finish. He could write his name on the test, but couldn't fill in the circles. Every night he'd wash down a handful of Viagra with a Budweiser, mount his exquisite czarina, and pump her full of blanks with no finish line in sight. He pushed his 70-year-old body to near cardiovascular collapse, wheezing and puffing, his face white and his nose bright red, making him look like an asthmatic circus clown. Still, he kept at it, soaking his wife with so much old-man sweat that she probably had to scrub the stench off with pumice. Mercifully, the Viagra would eventually wear off and he'd lose his erection and, at the end of every failed night, just a little bit more of his self-worth.

Major Dane made up for his sexual failure by pretending that he was a spy chief during the height of the Cold War and that he had the personal power to remote view the future. His predictions sucked, and any Costco psychiatrist could see that they were substitutes for him not being able to bust his grapes. According to the Major, the Sun was going to explode, there'd be

coronal mass ejections coming and stripping the planet clean of life, or else there was some extraterrestrial fungus entering the Earth's atmosphere and infecting all the plants, making corn explode in the field. "Everything green will turn brown," he'd predict, which was a pretty accurate prognostication of Fall. Major Dane held monthly workshops over the hill in Las Vegas where he taught the art of psychic spying to rubes with \$2,000 and a room at the Excalibur. And then he'd come back, his pockets loaded with sucker money, and he'd pump his beautiful 22-year-old Ukrainian mail-order bride until the windows of the RV were completely fogged.

I used to watch her masturbate on her bed, that beautiful creature with tits as firm as young pears, her fingers jamming her crotch like it was a cookie jar. She was easily the best-looking woman at the Blue Nudist Sun Club and wherever she went she attracted a group of spectators that followed her around like a golfing gallery,

gorgeous sight,
so young and firm, tall,
and lithe. Most of the nude bodies at the Blue Nudist looked like they were rolled in snow by "special" children, all lopsided, sad, and melting. It's hard to be an incontinent nudist. Each of them looked older and more leathery than ever; the result of years and years of exposing themselves to the damaging effects of the sun.

cousin of Bigfoot, which he claimed to have had regular contact with during his tenure at the CIA.

BLUE NUDIST POWER COUPLE

The owners of the Club were nudist power couple Jimmer Twicks and his freckly, red-haired wife with giant boobs Pinky Mason-Twicks. Jimmer vaguely resembled Burt Reynolds the way anybody could had they taken Burt Reynolds' scrotum and stretched it over his head. He favored those Oakley Iridium Sunglasses that reflected an orange tint, the kind that Venezuelan baseball players wear.

At least Pinky had a realist attitude about her looks.

She'd chip, "They say that the body is a temple—well, mine was sacked by the Moors. I look like a pig rotting from the outside." It was an odd strategy, her way of fishing for compliments. And there was no limit to how deep she'd cast her line. And it worked, it got her compliments. Because, in point of fact, she really didn't resemble "an albino pickle with a bad rack" or even "a scab in a wig made of straw and dog vomit." Sometimes I forgot that she was saying this shit to get you to say, "No you don't." And I'd just laugh instead, trying to picture whatever she was describing.

Once in a while Jimmer and Pinky would "forget" to turn off the PA system and accidentally broadcast their lovemaking at 100 decibels. From my very first night at the Blue Nudist it became obvious that Jimmer Twicks loved to have his cherries sucked almost as much as Pinky Mason-Twicks enjoyed sucking them. He'd play-by-play some of their kinkier moments like a baseball color guy painting a picture

finish up with the dinner dishes and go out on the rainbow bridge that connected the mainland to one of the islands in the lake and I'd take notes for my writing class. I took lots of notes like: "A skinny bald man with a thick beard is in Trailer 10, jumping on his obese girlfriend like she's a bounce house," and "Somebody in Number 14

just demanded: 'Stick it all the way up my ass or go to your room!'"

Followed by: "Then wear a fucking glove if you think it's so disgusting!" Then: "I said a glove, this is a fucking mitten!"

15TH ANNUAL CHILI COOK-OFF & WEINER FEST

Labor Day Weekend was my last week of work before returning back to school and it was also the biggest weekend of the year for the Blue Nudist Sun Club. It was also the date of their 15th Annual Chili Cook-Off and Burnt Weiner Festival. It was the only time of the year that the Blue Nudist Sun Club literally opened up the front gates and let everybody and anybody with \$16 get a day pass to stare at naked people and maybe even get naked themselves. Which meant it was just like any other day, except for the addition of about 800 shameless, masturbating dudes. It easily was the Club's most lucrative weekend and the prime source of revenue. Over the three-day affair more than 2,000 members of the public would show up, the majority of them leaving either disappointed or with horrific gas bouts from the chili and burnt hot dogs.

Single men hoping to see hot, young chicks lounging around in the buff were quickly crestfallen, but they appeased their disappointment with \$5 cans of beer from the snack bar. The guys that were there strictly for pussy were pretty easy to spot—most of them were *shirtcocks*—gentlemen whose idea of nudism was to remove their pants, but not their shirts, shoes, sunglasses, or hats. Most walked

Over the three-day affair more than 2,000 members of the public would show up, the majority of them leaving either disappointed or with horrific gas bouts from the chili and burnt hot dogs.

Often times at night the camp would be taken over for a few minutes by the smell of one of the residents illegally dumping their septic tank right into the pond. It was an awful smell, one that actually impinged on your other senses. It smelled so bad you could actually *hear* it. Major Dane claimed it was the smell of a skunk ape, a

during a seeming lull in the game.

So as the Milky Way smoldered in its sweeping arc above and the wind died down, it was not uncommon to hear some pretty chilling noises coming from the Sun Club's ring of trailers and RVs that were parked in the shape of a horseshoe at the edge of the Club's acreage. Most nights I'd

around with cameras, snapping snapper wherever it appeared. They often walked around fully erect and generally sat around fluffing themselves, preparing for their eventual spurt-and-scatter where the load blow brings them temporarily to their senses and they quickly head for their cars, peeling out of the parking lot without say-

ing so much as goodbye to anybody.

Not surprisingly, Jimmer and Pinky had really dropped the ball on hiring security for the Labor Day Blowout and the place nearly turned into the 1968 Democratic Convention. The owners had paid a local biker gang, The Desert Ratts, to provide security in exchange for beer. Certainly, none of the bikers were selling methamphetamine. There was no methamphetamine available anywhere near the Blue Nudist Sun Club, but there was plenty of chili. It started out as a nice mixture of naked perverts and outlaws sitting at picnic tables eating chili out of paper bowls and drinking beer.

Of course, there was the Chili-Eating Contest at Noon, followed closely by a spontaneous farting contest fifteen minutes later. I "lucked out" and got to be one of the judges for the Chili-Eating Contest, which meant I had to stand there in the fucking sweltering heat and make sure that none of the sweating behemoths were cheating. The sound of seven overgrown men grunting and puffing and slurping and gnashing chili by the bucketfull in the hot sun for 12-hours straight nearly sent me running off to one of the 130 degree Port-A-Potties on site for the festivities. I had a suspicion of exactly where the contents of the portable shitters were going to be dumped at the end of the day, so I made myself a promise to cut out early, just as soon as Jimmer signed my final paycheck.

The guy who eventually won the Chili-Eating Contest was from some foreign country where ear hair was apparently a common thing. He was a swarthy, middle-aged guy with doll-like hair, thick tufts of it growing from inside his ears. He was bald on top, naturally, yet his chest and back were covered in a black wheat field of fur.

NUDE KINGDOM OF FEAR

As the afternoon wore on, everyone seemed to be getting restless, and for the first time that summer there were grey storm clouds moving in. A general meanness seemed to pervade the park, whether it was from the inordinate shirtcocks, the chilled-out biker gang, or the intensifying crowd gas from the Eating Contest, something was about to go way the hell wrong.

Jimmer Twicks and Pinky Mason-Twicks had quite simply made too much chili. Everybody had had their fill and there were still buckets of it left. As the clouds opened up and it began to rain, anarchy took over. A pair of shirtcocks

took exception to one of the nudists asking them why they wouldn't take off their shirts. It dissolved into a shouting match, which then sunk into an English-style row.

The runner-up in the Chili-Eating Contest, a white guy with lots of ink named Daryl, challenged a fellow shirtcocker to a sword fight. Luckily, they actually had swords and this wasn't just a full-on running penis joust. Their swords were made of cardboard. They went at it like pirates with cutlasses except, again, they were a couple of 110-pound dudes without pants fighting each other with wrapping paper rolls and providing their own sound effects. Then I noticed that there was something very wrong with Daryl's penis—it bent left at almost a total right angle, sort of like Bill Clinton's.

That's when freshly fucked Pinky Mason-Twicks stood up with a bucket full of chili and dumped it over Daryl's head. A full-scale chili fight ensued. I went for cover inside the snack bar and got out of there just in time before they locked the door. Everything outside was a fucking mess.

That night, between the gassy nudists full of bad chili letting off bombs like artillery and all the spilled red sludge on the ground, it

totally reminded me of the first eight minutes of *Saving Private Ryan*. A major offensive was under way and I wasn't going to make it until dawn. I had to get to school to register for my classes, but I had to find Jimmer first, so I could collect my final paycheck.

It was likely just my imagination, but there seemed to be a fart fog building up like a marine layer in the desert—a thick, poisonous smog of methane gas seemed to linger around the camp. I said my prayers that no one would strike a match or we'd all go up like Roman candles.

Now where the hell was Jimmer?

I looked everywhere for the fat bastard. At least at night you couldn't see the graphic muscle movement of obese buttocks jiggling as they farted. The unforgiving flummox of human butt cheek muscles as they tensed up, squeezed, and released a fart was so unappealing I couldn't get hard for another week.

Some women would rip one and their ass cheeks would jiggle for a full minute afterwards. It was like the kickback on a high-powered gun. One woman directly in front of me stopped to spread her cheeks, thinking nobody was watching. She had an ass like her ass ate one of the Williams sisters' asses. It was more like a couch. This huge mound of flesh was no more than ten feet in front of me. This woman let one loose and I could actually see her butt lips as they opened up, spasmed, and an air bubble blew out. I could literally read her ass lips as they spoke the language of stink, which translated went "RRRRRRRIP!"

I had to lie down. I was having a panic attack. I stretched out on the disgusting, cold, chili-slopped ground by the lake.

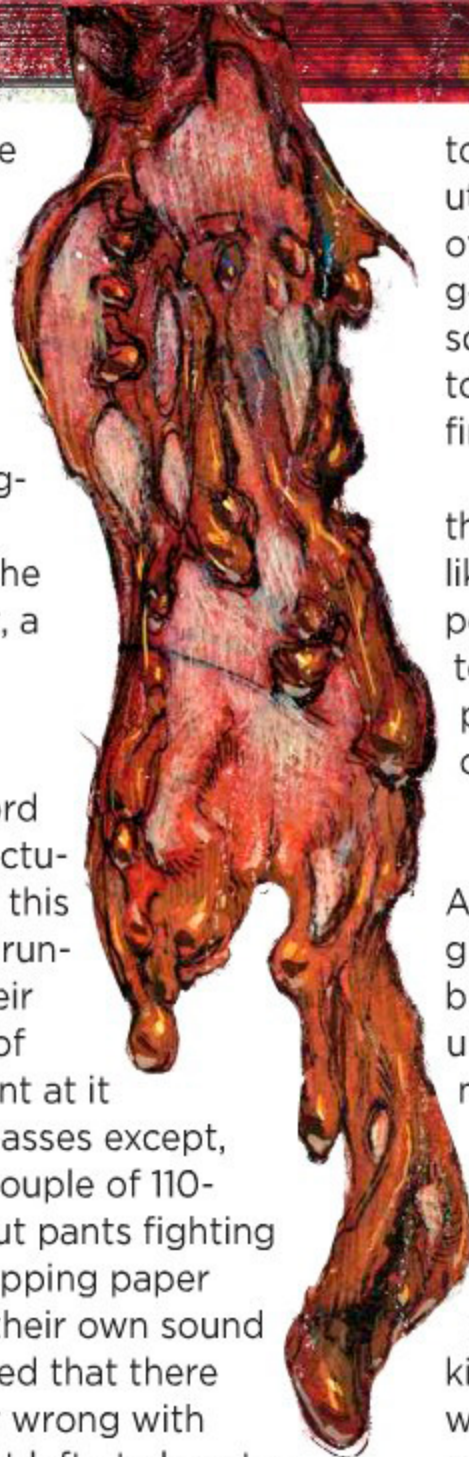

Jimmer Twicks and Pinky Mason-

Twicks pulled alongside me in their paddleboat. I had had enough genitals. I needed to see *clothed* people. Jimmer reached underneath him and tossed me my paycheck in an envelope.

"I hope you had fun this summer," he said. "We really enjoyed having you here. You did a great job."

"Pete," said Jimmer Twicks. "I put a little bonus in there for ya 'cause we really want you to come back and work next summer. Whaddya say?"

Of course, I never went back. Last I heard the Club was closed—some kind of health violation.

LONG BEFORE SKIN ENTERED THE SKIN GAME, SHE HAD ALREADY ACCUMULATED A HUGE AMOUNT OF FOLLOWS FROM THE FETISH AND MODELING WORLD. BUT HAVING SEX ON CAMERA ULTIMATELY BECAME SKIN'S IMMORTAL CALLING AND IT IS BECAUSE OF HER THAT THE BAR HAS BEEN RAISED FOR PETITE, SMALL-BREADED PERFORMERS EVERYWHERE. WHEN SKIN DIAMOND SETS FOOT ON A SET, SHE'S THERE TO FUCK AND FUCK HARD, JUST LIKE THE BIG GIRLS—JUST ASK THEM!

HIGH SOCIETY: Of all the AVN nominations you received which one means most to you?

SKIN DIAMOND: Probably the "Female Performer of the Year" nomination.

HS: Whom do you credit for the amazing year you had?

SD: Mark Spiegler. I have a very unusual look and I feel most agents wouldn't know what to do with me. He did.

HS: Elegant Angel dedicated an entire DVD to you: Skin. How did it feel having your own starring vehicle?

SD: It feels amazing for sure. I worked really hard, so it's really nice and cool to think they [Elegant Angel] would want to do a DVD that's all me. I'm just really honored that I got the chance to be able to show off my skills.

HS: What did you do on Skin that you've never done before?

SD: In the gangbang scene I did a little bit of anal, which I had never done before. I wasn't even sure if I would be able to do it, but I figured I'd try. [Laughs]

HS: Personally speaking, how does it make you feel when you're the center of attention?

SD: It makes me feel very special. I crave the atten-

tion. That's why I like gangbangs because I get all the attention to myself. It's a little overwhelming, but I've always had a "go with the flow" personality. I feel like I shouldn't overthink anything. I just let everything happen and hope everything works out, which it usually does. [Laughs]

HS: Have you ever had a threesome or an orgy in your personal life?

SD: I have had orgies and threesomes in my personal life, but I'd never been gangbanged before. I've always wanted to try it.

HS: Would you do a lesbian gangbang?

SD: A lesbian gangbang? No, I've never even thought about it, but now I want to. [Laughs]

HS: Who would you include in that filthy get-together?

SD: I'd want my girlfriend, obviously, Asphyxia Noir. Probably Lily Carter, Brooklyn Lee, Danni Daniels, Veruca James, and some people I've never been with before like Remy LaCroix and Reilly Reid. The more the merrier. You can never have too much vagina.

HS: Most of the girls you mentioned have similar bodies as you. Do you like petite girls in general?

SD: I do like little, cute, petite girls because I like when they look young. [Laughs] I do have a little bit of a Lolita fetish—obviously, not in real life. That's a little creepy. I like Japanese girls. [Laughs]

HS: Do you enjoy performing in Cougar 'N' Kitten films?

SD: Oh, yes, for sure. I like keeping my options very wide [open], otherwise things just get boring if you're doing the

The best thing [about porn] is that I basically get to play all day and have orgasms, which is fucking awesome.

same thing over and over again. But it is different having sex with older women because I feel like I can learn something from them. I feel like I'm really being taken care of when you're the younger one in that situation.

HS: Do you consider yourself a porn star?

SD: For sure! That's how I feel most of the time, so I definitely consider myself a porn star.

HS: What's the best and worst thing about being a porn star?

SD: The best thing [about porn] is that I basically get to play all day and have orgasms, which is fucking awesome. The worse thing is, people have this [negative] idea of porn, which isn't always true. That's kind of annoying. People's ignorance about it is what annoys me, but everything else about it I love. It's really fun. I get to dress up and be different characters everyday. I love my job.

HS: What would you say is your best and worst physical feature?

SD: Well, I think my boobs could be a little bigger. I don't want a boob job, I want to stress that. But I wish my boobs were bigger, but people like my little boobs, so, whatever. You can't be perfect. If you

could be perfect the world would be imaginary. My eyes are my best [feature].

HS: Are you a more dominant or submissive person?

SD: I feel like being submissive comes more naturally to me. I've been diving into the walls of being a dom[inant]. I've been

put on a porno and then in a few minutes I'm shaking, then I'm bored. [Laughs] Unless somebody is telling me what to do while masturbating, then that's different.

HS: What kind of porn do you like to watch?

SD: Well these days because I'm so desensitized to porn it would have to be pretty

I'm attracted to the female form, but at the same time I could never give up cock. Nothing beats getting fucked by a real dick.

learning. I would say I'm more submissive at the moment, but things could change. I always thought I could never dom, ever, but now I'm really enjoying it. You never know.

HS: Do you masturbate often and when you do, what do you like to think about?

SD: I do masturbate pretty often. Not a lot because I feel I am satisfied so much in my personal and on-camera life that I don't feel the need as much as I used to. I'm the world's most boring masturbator, to be honest. I'm really lazy. I get my Hitachi,

weird. Like something I might not necessarily do myself. Like something shocking since it's getting harder to do because I've done so much shocking porn. It's getting more and more extreme [Laughs] like [a] 200-guy gangbang. [Laughs]

HS: Can you tell me about one of the hottest sex scenes you've ever been involved in?

SD: That's hard because there's so many. I did a scene with Veruca James that was pretty amazing. The scene I did with Nacho

Vidal in *Nacho Vidal's Sexual Messiah* that was fucking amazing. That was actually nominated for "Best Anal Scene". That was definitely one of the craziest ones. [Laughs]

HS: He's one of the most experienced cocksman in the business. Did he (unintentionally) hurt you because he really likes to slam the girls hard?

SD: For me, because my ass is so tight, anal is a little painful to begin with. But he's one of the few men who actually managed to make me gape, which is really hard to do. It was so fun though.

HS: Have you ever had a one-night stand?

SD: I've had plenty of those. I don't actively try to have them, but I have had them.

HS: Do they still happen today?

SD: Not really that often, [but] I'm not going to say I'm never going to have one again. Since I've started doing porn I've become much more picky about who I want to do off-camera. I can get fucked well and get paid for it, so why would I want to have a one-night stand when there is no guarantee that I'm going to get fucked well. That's the thing with one-night stands that piss me off. You never really know what you're going to get. [Laughs]

HS: Would you say that you're a size queen?

SD: Definitely not. You have to remember I'm very petite. I like a big dick, but there is a limit to what's pleasurable to me because I am very petite. I like cocks with girth, but if it's too thick it's physically impossible for it to fit. [Laughs]

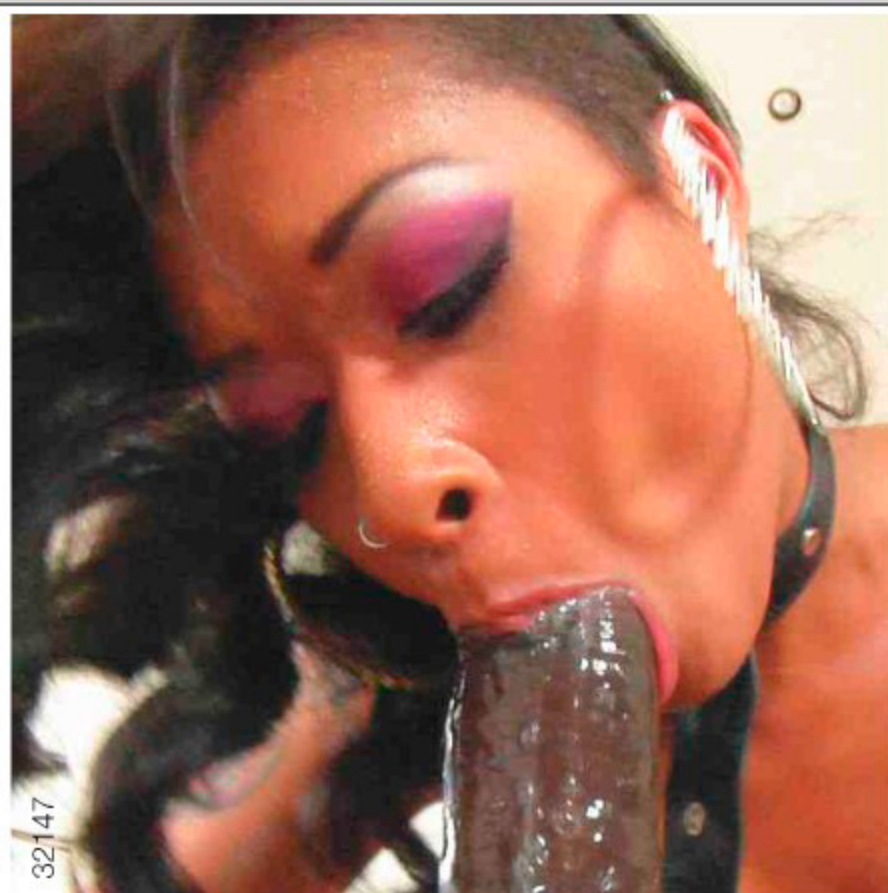

HS: So, does size matter to you?

SD: I prefer medium. Size isn't everything. As long as it isn't a micro-penis, as long as I can feel it, [Laughs] like six inches is probably as small as I would want to go. But size isn't everything. I have had really good sex with smaller guys. It's about how you're fucking, that's all that it boils down to; it's how you're fucking a girl. As long as you give it to her with enthusiasm, it really just depends.

HS: When you use a strap-on during lesbian

scenes, do you take into account the size of the dildo?

SD: When it comes to strap-on fucking, it ultimately isn't about the size. It's about what kind of dildo it is because some dildos are harder than others. It can be a little more challenging because there's no give. A lot of girls don't like glass toys as much because there is no give at all. A real penis is not rock solid. It squishes a little. So if the dildo in question is a hard dildo or hard rubber, you can't fuck as hard because of the material. It really depends.

HS: *Are you a true bisexual?*

SD: I actually do have a girlfriend and a boyfriend, so I definitely consider myself a true bisexual. I've loved women for as long as I could remember. I'm attracted to the female form, but at the same time I could never give up cock. Nothing beats getting fucked by a real dick. I could never choose between the two. [Laughs] Even if I were just going to be doing guys, I would be looking at girls at [the very] least. I've always liked girls. My first crush was Jessica Rabbit. I wanted her body when I grew up. The female form is so beautiful, how can

you not love it. If I wasn't bisexual and I wasn't having sex with girls, I'd still be looking at how beautiful girls are.

HS: *While growing up was your goal to be a sex symbol?*

SD: No. Honestly, in high school I was so shy. I never would have thought in a million years that I'd be a porn star. Even when I was a fetish model doing just fetish modeling, I always said that I didn't want to have sex for a living because I love sex so much, [and] if I made it my job I would get bored with it. I did not want to get bored with sex

because I love sex. It wasn't until I decided, "I'll try it. If I don't like it, I'll never have to do it again." I wanted to experience it; try everything once. After I tried it, I'm really glad I kept on doing it. I feel like I've experienced so much in regard to sex that I never even would have thought I would, if it wasn't for my job. I would have never thought that I would have two girls do me with a strap-on. I would have never thought to do that.

HS: *Do you credit doing porn and fetish modeling for opening the doors for you*

THE FUCK FACTS

Birthday: February 18, 1987

Birthplace: Ventura, CA

Weight: 110 lbs.

Measurements: 32B-25-35

I can get fucked well and get paid for it, so why would I want to have a one-night stand when there is no guarantee that I'm going to get fucked well. That's the thing with one-night stands that piss me off.

sexually?

SD: For sure! Absolutely.

HS: What are a few of your favorite sex acts?

SD: I love sucking cock and eating pussy. I love making someone feel good.

HS: What's one sex toy you can't live without?

SD: My Hitachi.

HS: What's one superpower you wish you

could have?

SD: I wish I had the power to control time. I think it would be really awesome to sleep late every single morning. I'd just hit my alarm clock, make time stop then sleep for as long as I wanted. [Laughs] I love sleeping and I hate getting up in the morning.

HS: Name a male and female celebrity you would like to have sex with?

SD: I would love to know how Johnny Depp fucks. I feel he would be really good at it.

He's got that kind of quirkiness vibe. Which girls do I like? There are so many that come to mind. Angelina Jolie would probably be pretty wild in bed, I think. I'd also really like to do Rihanna because she's got my haircut. I feel like she's trying to tell me something.

HS: Which of your films are you most proud of?

SD: I'm most proud of *Skin* from Elegant Angel because I got to come up with ideas for outfits and stuff. I got to help with that, so that was fun. Also my movie I did with my girlfriend who's also in the industry, Asphyxia Noir. It's a Vivid movie called *The 3-Way*. It was a really fun movie to make and it was our first big starring roles.

HS: Do you have any other big films coming out?

SD: I just finished shooting *Avengers VS X-Men XXX*. It's the second time I've played Storm, but the first movie still hasn't come out yet. I think they're waiting for the mainstream X-Men movie to come out. Vivid, especially with their Superhero parodies, they like to release them around the same time. I don't know when it's coming out, but that's definitely one to look out for, for all the comic book nerds. This isn't porn related, but in the upcoming Daredevil comics, End Of Days, in the third issue the artist David Mack used me as a reference to draw the character Echo. So I will be in a Marvel comic book. All the images you see of Echo are drawn from photographs of me that he simply took specifically for the Daredevil comics. He's also a friend of mine, so that's pretty cool.

HS: Anything you'd like to say in closing to the HIGH SOCIETY readers?

Bra Busters

By Acme Andersson

SARA HIDE

ABBEY BROOKS

JESSICA ROBBIN

ALEX CHANCE

STARRING: SARA HIDE, ABBEY BROOKS, JESSICA ROBBIN, AND ALEX CHANCE WITH RAMON NOMAR, MR. PETE, AND TONY DeSERGIO **DIRECTOR:** EDDIE POWELL **STUDIO:** DIGITAL SIN

Bra Busters are as sexy—and as dangerous—as they have ever been. Jug-related injuries for the first half of 2013 were up 17% over last year in the New York area and the entire country is seeing near double-digit increases. Experts say it's because guys don't take enough precautions when big titties reveal themselves. We take chances we wouldn't otherwise normally take. Whattaya expect?

Consider Digital Sin's *Bra Busters* a lifesaver. You get all, or at least most, of the enjoyment and virtually no bad side effects—so long as your girlfriend or wife doesn't catch you watching this DVD! Each girl was selected for maximum *tittyness* and the final four are a magnificently-mammed quartet.

Sara Hide, Abbey Brooks, Jessica Robbin, and Alex Chance are true bra busters. It's not surprising that they are endangering everyone around them by busting out of their bras—it's surprising they can get them on safely in the first place! It's okay, some risks are definitely worth taking.

Sara Hide Bust Friend: Ramon Nomar

One can feel a small gust of wind every time Sara busts out her breasts—or maybe it's just the stunned feeling one gets looking at the majestic mountains that have grown from her chest. Such juicy melons attached to such a slender frame are a rarity, but the natural world is full of wonders. The awe continues as Sara slides down in front of her man and pops his hard cock into her mouth, puts his lubed up tool between her tits for a gazonga grind, and then takes things all the way.

A big-titted babe on top is a prized possession while you have her and Ramon is an explorer on two fronts: his cock enjoying the tenderness of her warm and wet hole and his hands feeling the golden globes in his grasp and occasionally copping a feel of her hard clit. Sara grinds, moans, and twists her body as she stretches to get all of his cock sliding in and out of her pussy. Only taking quick brakes to honor his cock with her hand or mouth, she soldiers on to give them both the ultimate delight.

Her orgasm is heard and not seen and it inspires her to push harder for Ramon to share his wealth with a creamy deposit. He makes her work for it, trying to milk every moment with Sara and her milkers, finally pulling out and taking aim for her tits and blasting them with a Rorschach design that will send psychologists running for their pencils though the secret is right there below the creamy cover.

Jekyll & Hide: Sara grinds, moans, and twists like a true, big-tit monster, anxiously awaiting a mega-load on her milkers.

Digital *Sin*

Big Tit-A-Thon: Sara certainly
doesn't run and Hide from Ramon's
forceful cock geyser.

HIGH SOCIETY 83

Digital *Sin*

Rockets Red Glare: Mr Pete happily buries the hammer while ogling Abbey's over-sized gazongas.

Abbey Brooks Rack Reveler: Mr Pete

Abbey has been with a lot of guys who get a load of her heavy wonders and can't control themselves. She says some guys can't even get their cocks out before they lose their loads. That's why she loves Mr Pete—he knows how to worship a girl without popping off too early and going off on his merry way, only to leave her hot for more.

Abbey feels confident that she'll get what she needs, so she enjoys showing off her body to the admiring man and there is much to admire. Her rockets look like they're ready to blast off and the rest of her is very competitive. Pete gives her the all-

around treatment, tasting her cooch, and sticking his thermometer in her mouth and, of course, wrapping his hands around her twin volcanoes. They take their time getting to the sex, but once they do it's a ravenous, energetic bout with the two pawing wildly at each other and Abbey loudly giving tribute to Pete's ability to stick his pork in her.

Her pretty pussy is pleased over and over again until finally she begs Pete to show her mercy by speckling his load onto her over-sized gazongas. After finally pumping an orgasm out of her, he takes one for himself and appears to try to write his name, though in all the excitement it's too difficult to control. Abbey doesn't mind, she knows that well-earned load has her name all over it.

Jessica Robbins Titty Taster: Tony De Sergio

Fans of redheads with racks need look no further than gorgeous Jessica whose looks match her marvelous mounds. Her porcelain skin is stretched to the limit and she is happy to share her bounty with a man who appreciates what she has to offer. She rewards him with a mouth massage and a smiling titty fuck before hopping on his freight train and engulfing him in her front door wonder.

A reverse cowgirl offers us a great view and her a great angle for slamming, eyes rolling back in her head as she shivers, shakes,

and howls her way through successive climaxes. When Tony gets on top, her flesh pillows threaten to hypnotize if one stares too long, but resistance is futile. She acknowledges this with a smile and squeezes them close to her body as Tony continues to cram his cock urgently into her shaved and puffy snapper.

Tony holds out admirably long considering the beauty he is contending with and no doubt any man would want to hold out as long as possible with the young wonder, but it always ends the same, with the man evacuating his love juice onto her perfect skin. With a smile like that, you can be sure she likes it as much as we do.

Amazing Flesh Pillows:
Ravishing redhead Jessica Robbins shivers, shakes, and howls her way through successive climaxes.

Alex Chance Monument Admirer: Ramon Nomar

Alex is a starry-eyed, bulging-breasted brunette whose screamy goodness is great for the ego of the guys who get a chance to lay her—she's loud and proud and your neighbors will wonder what the hell you're doing to the girl.

Looking at her, what wouldn't you want to do to the girl? She's a top-heavy stunner who is delightfully eager to get cock stuffed into every hole and crevice god has given her. She's like a kid with an ice cream cone on a hot day when she gets the opportunity to stuff Ramon's dick in her mouth. She gulps him with gusto, chok-

ing on the words that surely would say she wants him to fuck her if only they could squeeze out around the prick invasion.

Ramon doesn't need a printed invitation to know he's welcome to have his way with her pussy—her dripping hole is the ultimate greeting. He enters without the slightest amount of resistance and her encouragement is beyond vocal. She wriggles for maximum penetration, the maximum allowance being found with a slamming doggie-style that generates maximum volume and pleasure from the doe-eyed cutie. With Ramon ready to pop, she knows what he wants and pushes her tits up attentively as he generates his blast and smacks it down on her jugs, payment in full!

LIFE OF HAIRPIE

There's no wild Bengal tiger in blonde thrill-banger **Tara Lynn Fox's** sexual thriller of a life, and nobody gets stranded on a lifeboat, either. Tara's woken up naked on a jizz-pickled deckchair on board a party yacht called the "Naughty Lust." The buxom bunny practices her stagecraft by strutting around on all fours in front of her bedroom mirror, watching her racy, rounded curves swerve, and her canned ass wiggle and swing. The 23-year-old actually leapt from the role of "Titty the Tease" to "Bareback Butthole Breakdown Broad" during her first film in 2009! "Can you *imagine* if I had gotten typecast?"
